

M-Power Men's Health Services Now Scheduling Appointments

Located at Pacific Surgical Institute, M-Power is specifically designed to address men's health issues.

Men die at a much younger age in Cowlitz County than elsewhere in Washington. In many cases, these early deaths are preventable.

At M-Power Men's Health Services, we'll start with age-appropriate screenings for cholesterol, blood pressure, testosterone, blood sugar, and cardiovascular health and then connect you with board-certified specialists as necessary.

Schedule an appointment today so that you can be there for the people who love you and depend on you.
